WELCOME

Welcome to the future of football in South Australia. The remarkable new Adelaide Oval stadium development.

The Port Adelaide Football Club has a long and intimate association with the original ground. 100 years and 21 premierships. Our supporters rightly feel at home here.

The Club has undergone a significant period of rebuilding over the past 12 months. We enter this next phase as a football club with a new coaching department, new players and a renewed spirit. We believe we have the personnel, passion and support needed to deliver on our ambitious strategic plans. Season 2013 will be an exhilarating and defining time for our football club. And with our move to Adelaide Oval, season 2014 will be even more exciting.

As a Corporate Partner of the Port Adelaide Football Club, we will call on our century of experience at Adelaide Oval to make your own experience unforgettable.

We will design your business a fully flexible corporate hospitality package. We will build an environment for business and pleasure without peer in this state. We will consult regularly with you and your team to ensure that your every wish is catered for.

Our commercial facilities are superior to those at any stadium in Australia. Securing your place at Adelaide Oval for our inaugural season will mean your company plays a role in South Australian sporting history.
